Birmingham City Mission Basis of Faith

- a. That the Bible is the Word of God, inspired by Him, and the final authority in matters of faith and practice.
- b. That God created all human beings and is the Father of all who believe in Jesus Christ as Saviour and Lord.
- c. That Jesus Christ is God’s Son from eternity; He became fully man, died on the cross for sin, was raised on the third day and ascended into heaven.
- d. That God the Holy Spirit guides us to all truth; His personal mission is to glorify Christ in the regeneration and sanctification of believers.
- e. That all human beings are sinful by nature and that the atoning death of the Lord Jesus Christ is the only remedy for sin.
- f. That Jesus will personally return to earth to take His own and to judge the world.
- g. That those who trust in Christ as Saviour will receive eternal life in heaven and that those who reject Him will receive eternal punishment in hell.
- h. That the true Church on earth consists of all believers and is the missionary agent for evangelising the world.

I confirm that I fully accept Birmingham City Mission’s basis of faith and that the details in this form are true and complete to the best of my knowledge.
